

Student Quick Guide to the **Virginia SOL Online Tutorial**

This guide explains the basic features and reporting functions available through the Virginia SOL Online Tutorial.

Signing In

1. Open the browser window on your computer (Netscape Communicator or Internet Explorer 4.0 or higher).
2. Go to **k12.princetonreview.com**.
3. Click the **Homeroom Sign In** link.
4. Enter your **Username** and **Password** and click **Sign In**.

Taking Your 1st Test

1. Click on the **VA SOL Tutorial Pre-Test** link on your homepage.
2. Then click **Begin Test**.
3. When you are taking a test, you will see your **Answer Sheet** before you exit. Look at your **Answer Sheet** and check all of your answers before the test is graded.

Unit Test Recommendations

1. After you have completed the **VA SOL Tutorial Pre-Test**, click the **Unit Test Recommendations** button on the left side of your screen.
2. There will be a list of skills that have been recommended for you to practice. Click on the **Unit Test** or **Resources** link next to a skill name to go to the resources page for that skill.

Unit Tests

1. On **Your Homepage**, you will see several pre- and post- unit tests. You may also see assignments created by your teachers.
2. Click on the name of the assignment you would like to complete and follow the instructions on the page.

Post Test

When you are done working thru all of the recommended units, talk to your teacher about taking the **VA SOL Post-Test**.

View Progress

1. Click on the **Virginia Online Tutorial Reading** link listed on the left side of the screen, under the **Your Classes** heading.

*Your **Class Mainpage** appears.*
